

STATIONARY ENGINEER

REQUIREMENTS:

Thorough knowledge of the operation, repair and maintenance of low pressure boilers, pumps, generators, HVAC, and other equipment. Thorough knowledge of the repair of electrical and mechanical fixtures and equipment. Ability to make a variety of skilled mechanical and electrical repairs; ability to read and interpret blueprints and wiring diagrams; ability to maintain routine records and to prepare reports; mechanical aptitude and manual dexterity; initiative and resourcefulness; good physical condition. First Class Stationary Engineer License required; City of Buffalo Chief Engineers license is preferable. CFC Universal Certification preferred; understanding of computerized building management systems and digital controls preferred; experience with pumps, filters, chlorinators, ozone generators with regard to large swimming pools or aquatic life support systems desired. This position may work both day shifts and/or night shifts. A shift premium differential of one dollar (\$1.00) per hour will be added for all hours worked after 6pm.

Other:

- Enthusiastic, self-reliant, independent attitude and approach to work. Must be able to multi-task and be a team player.
- Must possess or be able to obtain within 30-days of employment a valid New York State driver's license and have an average or better driving record based on the evaluation process of our insurance company. Retention of position is contingent upon maintaining required license. Must upgrade to classification appropriate to requirements (non-CDLC or CDL class).
- Provide proof of negative TB test upon hire. TB test conducted annually.
- Must be able to work weekends and holidays as necessary.
- Position is part of the Zoo's emergency weather team and is expected to report when the Zoo is closed due to weather.

Physical Demands

- Able and willing to perform sustained work of a physical nature that may require heavy lifting.
- A fitness for duty test will be required in order for the successful candidate to be given further consideration for the position.

Benefits / How to Apply

This is a full-time, union non-exempt hourly position. Salary starts at \$28.36; in addition to a shift premium differential of one dollar (\$1.00) per hour for all hours worked after 6pm. Some of the benefits available include health plan, HSA, life insurance, long term disability, dental, vision, pension plan, annual leave time, holiday time, and sick time benefits. Most benefits are available after the successful completion of an introductory probationary period of 60 days of work. Sick time benefits available upon hire.
