

POSITIONS AVAILABLE

FIRST CLASS STATIONARY ENGINEER

Basic Purpose and Responsibilities:

Under the supervision of the Director of Facilities and Construction, the Full-Time First Class Stationary Engineer is responsible for the operation, repair and maintenance of low and high pressure boilers, pumps, generators, HVAC, and other equipment. First Class Stationary Engineer license is required for this position.

Benefits / How to Apply

This is a full-time, union non-exempt hourly position. Hourly rate is \$29.49 per hour; in addition to a shift premium differential of one dollar (\$1.00) per hour for all hours worked after 6pm. Some of the benefits available include health plan, HSA/HRA, life insurance, long term disability, dental, vision, pension plan, annual leave time, holiday time, and sick time benefits. Most benefits are available after the successful completion of an introductory probationary period review at 60 days of work. Sick time benefits are available upon hire.

Please submit resume and cover letter (no phone calls please) by email or regular mail. Please use subject line: Full-Time Stationary Engineer. Positions open until filled.
